Summary of reasons for decision:

The image depicts a young girl's genitalia in extreme close-up. There is no reasonable reading available for the image other than it is intended for the purpose of sexually arousing those with a prurient interest in children. The availability of such material encourages and reinforces such an interest. The classification of this publication interferes with the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990. However, this is an outcome that is consistent with Parliament's intention that publications which promote and support the exploitation of children for sexual purposes be banned, and it reflects the concern of a free and democratic society to protect its young and vulnerable members from exploitation.
